LIMITED ACCESS

THAT there shall be no direct access to, from or across said highway facility beginning at approximate Station 853+40 on the East-West center of the section line and ending at Station 975+00 except as follows:

1. **Public Road Approaches**

A. On the left or northwesterly side, Station 853+40 to Station 975+00, no more than four (4) public approaches.

B. On the right or southeasterly side, Station 853+40 to Station 975+00, no more than four (4) public approaches.

Public road approaches up to these limits may be constructed now or in the future. Those approaches added at a later date will require the approval of the local planning agency having jurisdiction over the area, the Board of County Commissioners, and the Department of Highways.

2. **Private Road Approaches**

A. On the left or northwesterly side, Station 853+40 to Station 894+00, no more than four (4) approaches. Station 894+00 to Station 975+00, no more than nine (9) approaches.

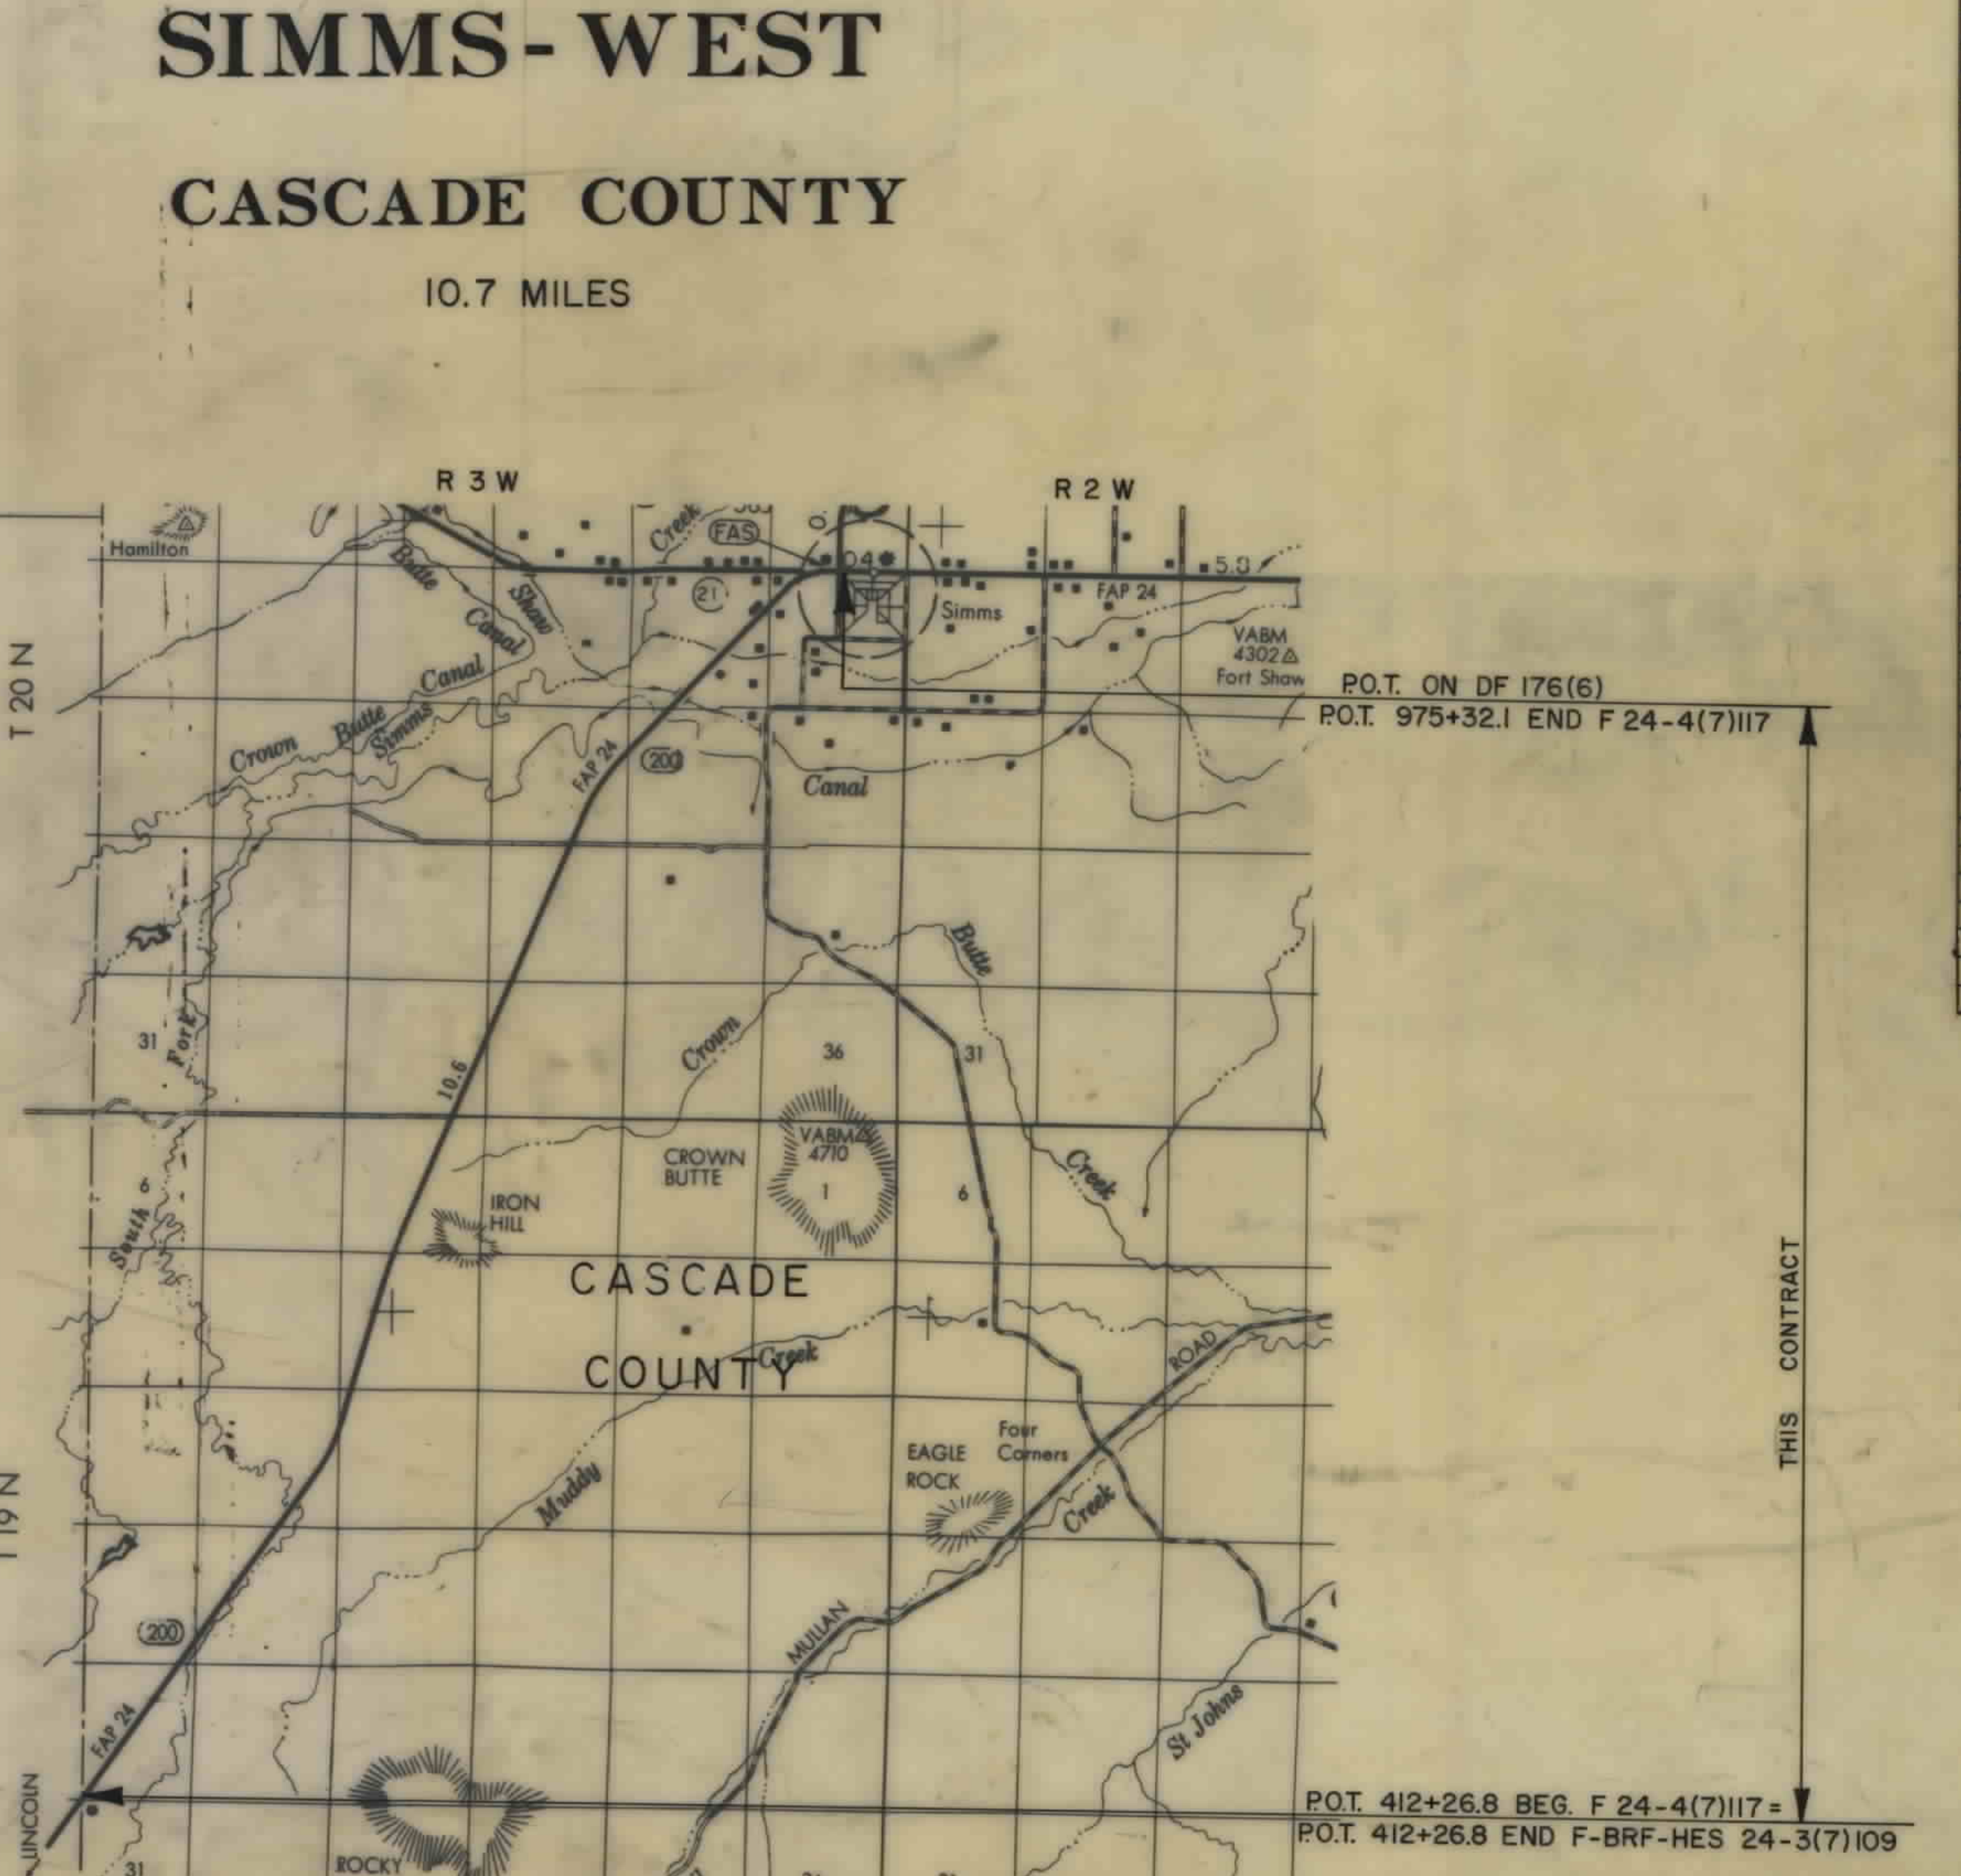

B. On the right, or southeasterly side, Station 853+40 to Station 894+00, no more than four (4) approaches. Station 894+00 to Station 975+00, no more than eleven (11) approaches.

Private access rights will be acquired by purchase. No additional private approaches, except for farm field approaches as provided in "3" below, will be allowed after the purchase of access rights.

3. **Field Approaches**

Private field approaches may be allowed for access to farm fields. The agreement allowing such approaches must limit the use served to farm field access. These approaches may not serve occupied residences, commercial enterprises, or any other use except farm field access. Farm field approaches will be allowed by revocable permits issued by the Department of Highways.

DATED this 3rd day of March, 1988.
