Plan view of the Hardy Creek Interchange showing the intersection of Highway 162 and Highway 15. The interchange is a partial cloverleaf design. Highway 162 runs vertically, and Highway 15 runs horizontally. The interchange is located at the intersection of Highway 162 and Highway 15. The plan view shows the alignment of the roads, the location of the interchange, and the surrounding terrain. The plan view also shows the location of the bridge over the Hardy Creek. The plan view is labeled with stationing and other survey data.
